2024 CIVL Plenary Meeting

Agenda Item 5 Report of FAI Secretary General

Annex 2024-FAI-CIVL-plenary-report-SG-v1

2.4.2 Finances 2023 (YTD as of 30 Sep 2023)

This report is a non-statutory report on the projected YE-result for FY 2023.

The budgeted (GC approval 2022) overspent of KCHF -176 will likely end up at break-even for FAI overall due to higher income, reduced overheads, and Commissions underspending. This is pre-audit and prior to any year-end due diligence (releasing and/or recording provisions for risks, e.g.).

2.4.3 Members and impact on FAI finances

The main adverse effect on income from members (annual membership fees) originates in the conflict in the Ukraine. Whereas BLR continued to meet its obligations until YE 2023, RUS is overdue.

Following the EB-decision of 28 Feb 2022 removing all rights from BLR and RUS, Members discussed the matter in GC 2023.

GC 2023 voted (secret ballot) on maintaining the suspension of RUS and BLR with 187 yes, 17 no, 24 abstain.

Additionally, class change requests submitted by SLO (class 8 to 10) and UKR (class 7 to 10) were approved by GC with effect as of 01 Jan 2024. Note the recent By-Laws changes to defer any future class change by two years.

2.4.4 Membership Fees for Year 2024

Based on discussions and decisions taken by the GC 2022, the going-in position for the 2024 membership fees was for + 6% (for membership fees based on 2023 figures) plus additionally 2%CPI to compensate increasing costs in Switzerland. Members rejected the proposal, and only approved the increase according to the CPI-effect forecast for SUI in 2024. (172 yes, 77 no, 3 abstain).

2.4.5 Budget 2024

Taken the approved increase 2%) and the submitted budget proposals, the GC approved the budget as shown (227 yes, 21 no, 2 abstain).

4.3 INSURANCE FOR OFFICIALS

Scheme initialised by request of CIVL. In place since end 2022. ASCs contribute with an estimated share to the overall FAI activities (Cat1s, days, number of officials). Current term 01.04.2023-31.03.2024.

Travel Insurance for FAI Officials and Elected Office Holders

Personal Accident and Travel Insurance including Medical Expenses Cover

(Information as of 1st May 2023)

FAI have decided to entrust Marsh, a legally authorised broker to transact insurance business to procure an open travel insurance policy to FAI, which the latter makes available the benefit of said policy. There is no obligation to use the policy.

Such insurance covers "Elected Office Holders" (Commission Presidents, Bureau Members, Executive Board members, Staff) while they are travelling 'on duty for FAI' since several years. As of 1st April 2022 the policy has been extended to also cover elected officials (judges, juries, event director and team etc).

This scheme is in place for all **sanctioned FAI category 1-events**; and it includes pre-events/test-events if one mentions the 'main sanctioned event' in the survey. Renewal of the policy has been completed and cover is in place from **1 April 2023 – 31 March 2024**.

The following survey supports a self-registration-scheme which one should fill in prior to leaving home. Data is not shared with insurance company, nor is it monitored by FAI Secretariat.

The survey is self-explanatory. Important: For those travelling more than once during a year, you must declare your travel intentions each time you travel. Each event (meeting, sanctioned event etc) is treated individually.
