Letter of interest to host the 18th European Aerobatic Championship in 2012

Mr. President,

On behalf of Slovak National Aeroclub I would like to express it would be an honor to host the **18th European Aerobatic Championship 2012** in Slovakia and hereby presents its preliminary bid.

The proposed location would be the Dubnica nad Vahom airport (LZDB) and the time of the venue September 1st – 9th, 2012.

Airport is located 120km North-West of Bratislava. The airport has a grass surface with 1100m long runway. All facilities for the championships are located on the airport and the accommodation facilities are nearby. Organizers have experience with many championships organized in the past. Quality of organization team, airport suitability and facilities has been proven during the 7th FAI European Advanced Aerobatic Championship 2011.

PaedDr. Ján Mikuš
President of Slovak National Aeroclub
